MEET BONGI!

Hello, Explorer!
I'm Bongi the bushbaby.
Welcome to Bushbaby Hollow!
I'll be your guide on our African adventures.

NEW WORD

NOCTURNAL

Active at night.

THREE NAMES TO KNOW

Bushbaby • Galago • Nagapie

Nagapie is an Afrikaans name meaning "little night monkey".

REAL BUSHBABIES

Bushbabies are small primates that live in Africa.

They are active at night and rest during the day.

Their large eyes help them see in dim light.

They leap between branches and use their long tails for balance.

Real bushbabies explore at night. Storybook Bongi is ready for our daytime safari!
